Bald Ridge Lodge, Inc., is a non-profit boys home, located in Forsyth County, Georgia which serves young men ages 12-21. We serve those who are in the custody of the Department of Family and Children Services or referred by the local Juvenile Court. Through partnership with referring agencies, as well as the families, we focus on family reunification. While at the Lodge, boys receive counseling, mentoring, tutoring, community support, engage in positive activities, and learn life skills. We are licensed to serve up to 12 residents.
